### DEPUTY HEADTEACHER'S COMMENT.

It is not often I am lost for words but this week the children have been amazing. The fantastic talent at music evening was just inspirational. All children performed their hearts out and it was such a privilege to watch. Well done to all the children and the fantastic music support from all teachers and especially Mrs Russell. The year 6 children have completed their first performance and have their final performance where we will say goodbye next week. I have watched them grow through their years here at Ravensdale and I am immensely proud of each and every one of them.

A huge well done to all children who took part in the KS1 choir and ocarina assembly also.

I hope you enjoy reading your child's report and it reflects how hard they try and what great citizens they are. Teacher assessment information will be sent out early next week with a letter explaining what it all means. I hope you all have a great weekend and look forward to seeing you all next week for our final week of term.
